Applying for ATAS CAH Code: CAH10-01-02

This course requires an ATAS Certificate, as specified by UK immigration regulations. The Academic Technology Approval Scheme (ATAS) is mandatory for certain Science, Engineering
ATAS applications typically take at least 30 working days (6 full weeks) to process, so you should apply as early as possible. Please note that there is no fast-track option, and applicatio

Important Details About the ATAS Process:

- The ATAS application is entirely separate from your Kingston University application. The university will only be informed of the outcome.
- The process requires specific information about your programme of study/research, including the CAH3 code (provided by your Higher Education Institution).

What You Need to Apply:

- This offer letter from Kingston.
- Information about:
 - Your previous studies.
 - Any previous or current employment.
 - All published papers (if applicable).
 - Optional modules (include all potential options if unsure).
 - The full names and contact details of two referees.
 - How you will be sponsored while studying in the UK.

Avoid Duplicate Applications:

If you already have an ATAS application in progress, do not submit a second one, as this can cause delays.

For further details and to submit your application online, visit the official ATAS website: [Apply for ATAS](#).
